A Word From The Founder

We are very thankful to see the end of another year here at Nwanyichukwu Outreach. It's been a year like no other. The Lord has been faithful on many counts and we can't thank him enough. This year we witnessed the graduation of our 1st batch of students/apprentices.

What was once a vision written on tablets has been actualized.

God caused a manifestation and we have gone full cycle.

It is truly the Lord's doing and it is marvelous in our eyes.

As the year draws to a close we want to say thank you, thank you, thank you to all our supporters for believing in the vision of Nwanyichukwu Outreach

God bless and reward you richly.

During his address, our **Keynote speaker** Prince Chijioke OFOMATA, PhD, FPSN, FIMC. FPSN FIMC (**Fellow Institute of Management Consultants, UK**) A lecturer in Entrepreneurship & Pharmacy Management at Nnamdi Azikiwe University, reminded the ladies to put to use the investment made in their lives to prosper and be ambassadors of the Outreach and an inspiration to others.

Mrs Rose Ezeani

Pass Your Test or Take it Again

The ladies had an exhibition corner to showcase their handiwork. Mrs Rose Ezeani, one of the Nwanyichukwu Outreach Project committee members, organized a practical skills test. The tailors, hairdressers and decorator had to demonstrate their skills to prove that they were qualified to render services to customers. It was such a fun event as the ladies rose to the occasion.

The successful ladies were then presented with a journal to write their vision and run with it. They were awarded certificates confirming the successful completion of their apprenticeship as well as a record of the Business Education and Life skills modules they attended. They were presented with equipment to support them with small business start-ups.
